

8. Education Didactics:

Education and Didactics

Indicate the frequency of each of the following didactic activities anticipated for the fellowship program (Requirement VI.b)

Lectures and Conferences

Frequency

Problem Based Learning

Frequency

Workshops

Frequency

Simulation

Frequency

Journal Clubs

Frequency

Morbidity & Mortality

Frequency

Grand Rounds

Frequency

ICPNT Webinars

Frequency

Please provide a representative schedule (over 1 - 3 months) of topics of the lectures, conferences and other didactic exercises provided for the past year.

Describe the fellows' participation in planning and conducting conferences and other teaching activities.

Are fellows regularly relieved from operating room assignments to attend conferences during elective operating schedule time?

Do you expect your fellows to participate in ICPNT webinars/SNACC bootcamps, ICPNT research and other activities?
