

2. Program Personnel:

Program Personnel Questionnaire

Program Director Name & Credentials

Has the Program Director completed a neuroanesthesia fellowship? Radio Button

How many years of neuroanesthesia practice does the Program Director have?

Is the Program Director a member of the Society for Neuroscience in Anesthesiology and Critical Care (SNACC)?

Does the Program Director have non-clinical time to fulfill his/her responsibilities?

Associate Program Director name and credentials

Is the Associate Program Director a member of SNACC?

Number of core faculty

Number of ancillary faculty

Number of adjunct faculty

Please describe other program personnel like coordinators, administrators, education specialists, etc., who contribute to fellowship program management and education

Program Personnel CV Forms

Please complete the short CV form and assign roles for each member of the core faculty. Please note that Adjunct Faculty are non-anesthesiology faculty who must have a significant teaching role (e.g., a neuroscience researcher, quality assurance educator). Non-physicians cannot hold other faculty assigned roles (e.g., core faculty, ancillary faculty). The role definitions can be found in the Program Requirements, III.a - f.

Core Faculty I

Full CV upload

Is faculty member a member of the Society for Neuroscience in Anesthesiology and Critical Care (SNACC)?

List the neuroscience organizations to which this faculty member belongs.

Do you need to add an additional core faculty member?

If you have more than 10 core faculty members or have other non-core faculty (such as ancillary or adjunct faculty), please upload a spreadsheet detailing their roles, contact information and credentials as outlined in the fields above. Please also create and upload one file with the CVs of the additional core faculty members.
